AIUM Membership Benefits

It's your | professional edge

Keeping you up-to-date with the latest information

Journal of Ultrasound in Medicine (JUM) |

Learn about the latest in ultrasound practice and research through the AIUM's monthly peer-reviewed publication, which contains original articles on basic and clinical aspects of ultrasound, advances in the field, practice techniques and equipment modifications, as well as case reports, editorials, point/counterpoints, technical bulletins, literature reviews, and 2 to 3 CME self-study tests every month.

JUM Online | Access the *Journal of Ultrasound in Medicine* online 24 hours a day, and browse its fully searchable text.

AIUM Sound Waves | Stay informed through the official AIUM newsletter, which provides a report of the AIUM's activities and news concerning AIUM members and the ultrasound community.

Official Statements | Refer to the AIUM-provided formal position statements on relevant topics, including safety, training, and other ultrasound-related issues to stay informed.

Standards/Guidelines for Performance of Ultrasound Examinations | Review these standards/guidelines that address various areas of ultrasound and include information on equipment, documentation, and guidelines for a sonographic examination.

It's your | continuing education source

Providing you with significant discounts on fees for CME opportunities and products. The AIUM offers AMA PRA category 1 CME credits—also accepted by the American Registry of Diagnostic Medical Sonographers (ARDMS) for certification.

Annual Convention | Attend a multitude of lectures and hands-on seminars by leading experts on the latest critical issues and ultrasound techniques and view exhibits by medical suppliers and manufacturers. Members save significantly on registration fees.

Regional Courses | Stay up-to-date on specific topics through convenient courses that provide state-of-the-art reviews of ultrasound applications. For more information about upcoming courses, taught by the country's top instructors, visit <www.aium.org>. Significant discounts are provided to members.

Publications | Benefit from AIUM-published monographs, syllabi, patient pamphlets, and more. Topics include ultrasound applications, terminology, safety and bioeffects, and quality assurance for all professional levels.

Journal of Ultrasound in Medicine CME Self-Study Tests | Take advantage of 2 to 3 CME self-study tests every month.

Ultrasound in Medicine and Biology | Members have the option to subscribe to this monthly publication from the World Federation for Ultrasound in Medicine and Biology (WFUMB). Subscriptions are available to AIUM members at a special affiliation rate of only \$135.

Online CME Educational Opportunities | Available in early 2004.

Videotape/CD-ROM Programs | View presentations taped at the annual convention or regional courses and earn CME credits.

It's your | networking resource

Offering you unique opportunities to interact with a diverse group of professionals

Listserves | Network with other professionals, worldwide, 24 hours a day. These listservs are group e-mail discussion forums through which members can ask questions, request advice, review images and case studies, and share ideas and experiences. Listservs are available for numerous professional-interest sections.

Professional-Interest Sections | Participate in numerous professional-interest sections to communicate the needs of your discipline to the AIUM, help develop educational programs and set standards, and network with colleagues. AIUM members may choose to be affiliated with any or all of the sections at no additional cost.

Committees | Take an active role and become part of a distinguished group that creates new products and contribute to decisions and policies affecting membership, the annual convention, and the AIUM as a whole.

Online Membership Directory | Search for members by name or location using this convenient tool.

Outreach Network | Take part in a variety of organizational opportunities designed to foster AIUM involvement, networking, and collaboration.

It's your | ultrasound affiliation

Recognizing your commitment to the field of ultrasound

Personalized Member Certificate | Each member receives a personalized certificate highlighting membership status and displaying affiliation with the AIUM.

Membership Card | All members receive a personalized card indicating their membership ID number, which allows them access to the members-only section of the AIUM website and discounts on programs and materials.

AIUM Platinum Plus Credit Card Opportunity From MBNA | Demonstrate your affiliation with the AIUM and dedication to the field of ultrasound with the only credit card that supports the AIUM with every purchase.
