Empowering the global medical ultrasound community
Established in the early 1950s, the American Institute of Ultrasound in Medicine (AIUM) empowers and cultivates a global community engaged in the use of medical ultrasound through raising awareness, education, sharing information, and research.

The AIUM is a multidisciplinary medical association of 10,000 physicians, sonographers, scientists, students, and other health care providers.

BANNER ADVERTISING—AIUM CONNECT HOME PAGE

Highlight your brand with an ad on AIUM Connect, the association’s online members-only community where leaders and learners come to collaborate, learn, share, and join in ultrasound discussions.

Ad Size
964 x 125, top or bottom position

Your ad may rotate with others on the Connect home page.

Required Files
Advertisers must provide a JPG, PNG, or GIF, and a clickthrough URL. No third-party tags can be accepted.

<table>
<thead>
<tr>
<th>Months</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>$1,700</td>
</tr>
<tr>
<td>3</td>
<td>$4,500</td>
</tr>
<tr>
<td>6</td>
<td>$8,000</td>
</tr>
<tr>
<td>12</td>
<td>$15,000</td>
</tr>
</tbody>
</table>

Deadline
Contracts are due 2 weeks prior to the start date, materials are due 1 week prior to the start date.
E-NEWSLETTERS

Engage medical ultrasound users regularly through banner advertising in our members-only e-newsletters.

**Sound Waves**
The official e-newsletter for AIUM members that provides the latest ultrasound news, educational offerings, and product updates.

- 26 issues per year
- 23% average open rate

**Ad Size**
654 x 75

**Required Files**
Advertisers must provide a JPG, PNG, or GIF, and a clickthrough URL. No third-party tags can be accepted.

AIUM 2022

March 12–16, 2022
Hilton San Diego Bayfront

The AIUM Annual Meeting is your opportunity to engage 1,500+ medical ultrasound users of all levels and specialties from around the globe.

- Share your products and services in the exhibit hall
- Increase exposure with advertising and sponsorship opportunities
- Gain access to the pre- and post-attendee mailing list

Call 240-295-1764 or email aiumpartnerships@aium.org for more information and pricing regarding event opportunities.
How do you empower and cultivate a global multidisciplinary community engaged in the use of medical ultrasound? Through education in the AIUM’s state-of-the-art Education Center.

Located near three major airports in the Washington, DC, area, we offer a brand new, unique facility with hands-on ultrasound learning in mind. Whether you are planning a blended conference or lecture, a hands-on learning lab, or showcasing your product, the Education Center provides an ideal space and environment for your next program.

The center is equipped with 16 scanning bays, to host courses for up to 64 attendees (4:1 ratio) with scanning or can hold didactic courses for up to 150 people.

Rental of the Education Center includes exclusive use of:

- Main conference room and 16 scanning bays
- Executive boardroom
- Kitchen equipped with dishwasher, ice maker, 2 fridges, and water dispenser
- Wi-Fi access throughout the center
- Available audio visual equipment
- Current inventory of tables and chairs
- Electricity, lighting, heat/AC, and water usage
- Standard cleaning services (additional fees may apply)
- Parking spaces

The AIUM will promote your event—pending event subject/approval—via:

- Announcement in Upcoming Events on the AIUM.org website
- One (1) retweet from your organization’s Twitter account

Cost

$1,250 per day (8:00 am–5:00 pm ET)

Additional marketing opportunities available—see page 10 of media kit for details.

Deadline

Contract is due 120 days prior to the event date.
IN-KIND SUPPORT

Provide educational programing support for ultrasound courses held at the AIUM’s Education Center through in-kind donations and unrestricted educational grants. Your donations allow new courses to be developed and give ultrasound professionals at all levels the chance to enhance their diagnostic and technical skills.

Your generous contribution(s) will receive appropriate recognition and will let the AIUM audience know you are a pillar of their ultrasound advancement.

- In-kind donations for Education Center courses can include machines, tools, gels, etc.
- Unrestricted educational grants

YEAR-ROUND SUPPORT

Stand out as a year-round supporter of the AIUM and a contributor of advancing the safe and effective use of ultrasound in medicine.

Receive membership for your team, discounts, collaborations with AIUM leadership, and more!

Gain year-round exposure as an official sponsor of the AIUM and proud supporter of the AIUM FUTURE Fund. Since 2001, the FUTURE Fund has been funding research projects and educational endeavors to promote the development of new technologies and applications in medical ultrasound and to encourage excellence in ultrasound education.

Benefits of year-round support include:

- Up to five (5) nonphysician AIUM memberships per year
- Up to two (2) banner ads in Sound Waves e-newsletter
- 10% discount on other AIUM media kit opportunities
- 10% discount on AIUM Annual Meeting exhibiting and sponsorship
- 20% of your support would go to the advancement of ultrasound through FUTURE Fund initiatives
- Acknowledgement as a FUTURE Fund supporter
- Acknowledgement and logo on the AIUM home page

Optional

Collect in-depth feedback through one (1) survey or focus group brought together by the AIUM. Collaborate on industry questions, qualitative initiatives, new technology, and patient issues.

Cost

$105,000 annually
ADDITIONAL MARKETING OPPORTUNITIES

Available only for sponsored webinars, JUM special editions, and events hosted at the AIUM’s Education Center.

ATTENTION ULTRASOUND EQUIPMENT MANUFACTURERS

The US Food and Drug Administration (FDA) mandates manufacturers provide an ultrasound safety manual with each ultrasound equipment sold.

The AIUM Medical Ultrasound Safety publication meets the FDA requirements (Track 3) for education programs for the clinical end user.

Medical Ultrasound Safety, Fourth Edition

All operators of ultrasound systems with an output display should review the information in this publication. The book consists of 3 parts—Part One: Bioeffects and Biophysics; Part Two: Prudent Use; and Part Three: Implementing ALARA (as low as reasonably achievable). With the information from this publication, users can better control the diagnostic ultrasound equipment and examination to ensure that needed diagnostic information is obtained with minimum risk to the patient.

Medical Ultrasound Safety Licensing Agreement

Your company will receive a PDF file of Medical Ultrasound Safety to be used for bulk copy making. Cost is based on quantity. Call 240-295-1764 or email aiumpartnerships@aium.org for a quote.
