Faculty and Planners Disclosures

AIUM assesses conflicts of interest (COI) with its faculty, planners, managers and other individuals who are in a position to control the content of certified activities. All relevant potential conflicts of interest that are identified are thoroughly vetted by course directors, AIUM education staff, and members of the compliance team through a process that includes appropriate peer review for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

AIUM has taken the necessary steps to ensure that all relevant financial relationships have been mitigated.
